_____ My apologies, if I did not submit this status report properly in the PACER system.
This system is not easy to navigate and one seems to require a law degree in order to understand it.

Status report by Hansueli Overturf, defendant for case managemen conference

1 1. I forthwith submit this status report pursuant to the court's minute order of January
2 10th, 2025 (ECF Nr. 73). I apologize to Honorable Jacqueline Scott Corley for submitting this status
3 report four days late. I have tried to obtain legal help to make sure I can meet all the demands by the
4 court and the plaintiff, and short of hiring an attorney, which requires me to pay at least \$50,000 as an
5 upfront retainer. I have also obtained legal help by the Federal Pro Bono Project. But other than some
6 forms and two conversations, they were unable to pro-actively assist m and recommended I should
get an attorney if I can afford it.

7 2. As the plaintiff already reported to you on January 10th, I met with them in November
8 and I believe we made significant progress towards a resolution, although defendant has not
9 compromised in any of their demands, other than a reduction in the fine they had originally
10 demanded.

11 3. Ergo, I would like to ask for some more time to discuss with the plaintiff the one or
12 two points that I need the SEC to yield on their position. I have not received any client complaints
13 during the time the alleged violations took place, nor did my two co-defendants. So I believe that the
SEC has leeway to settle this case.

14 4. As per my request yesterday, I would like to ask to postpone the case management
15 conference by at least three weeks from January 16th. Hopefully, plaintiff and I will have arrived at a
16 compromise by then. .

17 _____Respectfully submitted, Hansueli Overturf
